

COURSE PROGRAM

Welcome to our Feline Respiratory and Cardiovascular Diseases course!

Learn how to handle dyspnoeic cats and other thoracic illnesses.

DATE AND VENUE:

30-31 of March 2020 (2 days) at Evidensia Södra Djursjukhuset, Kungens Kurva (Stockholm).

COURSE CONTENT:

The aim of this course is to cover common respiratory and cardiovascular diseases of the cat. What is urgent and what can wait? What has a respiratory background and what is caused by cardiac disease? Our lecturers will also present how to avoid the most common mistakes and where the most common pitfalls are. A great course for all practitioners who want to refine their knowledge on thoracic pathologies whether they be congenital, acquired, life threatening or chronic.

COURSE FEE:

10.500:- + VAT including 2 days of lectures, coffee breaks, lunch, course material and course certificate. Veterinary-nurse team 15.000:- total.

ACCOMODATION (SUGGESTED HOTELS):

Scandic Kungens Kurva, Ekgårdsvägen 2, 141 75 Kungens Kurva. State booking code "BEVI290320" to get our discount.
